

Adding a New Buyer

ADDING A NEW BUYER WILL ALLOW YOU TO:

- See the buyer's detailed bid sheet
- Post offers to prospective buyer(s)
- Receive incoming Active Private Bids (APB) from the buyer

Steps to Adding a New Buyer:

1. Login as a Returning User at marketpoint.pioneer.com, using your Username and Password.
2. From the Pioneer MarketPoint® resource Grain Desk home page, select the Update Profile tab. The freight costs page will appear.

Area Buyers - Freight Costs

Showing 21 of 102 buyers(s) within 200 mi.

Location	Delivered
Langdon, IA	0.00
Greenville, IA	0.00
Spencer, IA	0.00
Everly, IA	0.13
Milford, IA	0.00
Royal, IA	0.00
Hartley, IA	0.00
Hartley, IA	0.00
Superior, IA	0.00
Superior Ethanol, IA	0.00

3. To add a new buyer, simply click on the word "Request" – this will open up the associated Delivered Freight input box.

Area Buyers - Freight Costs

Showing 21 of 102 buyers(s) within 200 mi.

Location	Delivered
Langdon, IA	0.00
Greenville, IA	0.00
Spencer, IA	0.00
Everly, IA	0.00
Milford, IA	0.00
Royal, IA	0.00
Hartley, IA	0.00
Hartley, IA	0.00
Superior, IA	0.00
Superior Ethanol, IA	0.00

4. Click on the delivered freight box, and enter the correct freight cost in cents / bushel. Distances on the website are "as the crow flies" – not practical miles – and should be adjusted accordingly.

Calculator

Location
Marcus, IA @ 41.22 mi

Cost / Mile \$ 3.50
Truck Load 900 bu
Freight \$ 0.1603 / bu

Note: This does not actually alter your buyer's delivered transportation costs, it is here as a guide.
Calculation is distance times cost/mile divided by truck load. This calculates the one-way freight.

Close

To assist you, a freight calculator can be accessed by clicking on the calculator icon.

5. Once you have requested the buyers you want in your area and have inputted the correct freight costs for each of them, select YES to save your changes. This completes the process of adding new buyers.

Are you sure you want to make these changes?
Yes / No
