Glyphosate Tolerant Always follow grain marketing, stewardship practices and pesticide label directions. Varieties with the glyphosate tolerant trait (including those designated by the letter “R” in the product number) contain genes that confer tolerance to glyphosate herbicides. Glyphosate herbicides will kill crops that are not tolerant to glyphosate.

PIONEER® brand products are provided subject to the terms and conditions of purchase which are part of the labeling and purchase documents.
 ®, TM, SM Trademarks and service marks of DuPont, Pioneer or their respective owners.
